Young People's Camp a Wonder- ful Success

The B.Y.P. Blackfoot Camp, which was held at the river, July 11-16, was given a greater success than that of the summer before. There was an enrolment of 76 campers from the districts of Kindersley, Irricana and Arrowwood.

We were very fortunate to have with us again Professor Brightbill, of Bethany Biblical Seminary, and several other very talented leaders in the persons of Rev. Paul Weaver, of Pennsylvania, U.S.A., later of Bethany Biblical Seminary, Miss Geneva Suttle, Miss Edna Kessler and Rev. Albert Hollinger, also of Bethany. These leaders contributed a great deal toward making our camp a wonderful success.

With the ringing of chimes at 7 o'clock all rose, eagerly anticipating the days we were to enjoy together.

Each morning a short worship service was held before breakfast. This was conducted by Prof. Brightbill and prepared us for the activities of the day.

After breakfast, camp was put in order and it was time for the first class, this was conducted by Rev. Paul Weaver. The subject discussed was: "The Book We Live By."

The Bible was written by men who were inspired by God and therefore it is the inspired word of God. We may not judge the whole Bible by any verse, but must have the whole context. Discussion followed as to how we are to use the Bible. Many uses were suggested and some of the most important are as follows:

1. As a goal toward which to work.
2. As a guide to life — in meeting personal needs.
3. The Bible as a well-marked sign post.
4. For personal acquaintance with God and soul-growth.
5. As a means of getting closer to God.
6. For its literary value.
7. To learn of great men in the Bible and become desirous

Daily Vacation Bible school is off to a good start. A good and cool place for the children 9-11:30 each forenoon but Sat.

Program of Daily Vacation Bible School Friday Evening, 8 p.m. followed by Rev. Weaver's sermon. Everybody welcome.

An Apology

The Resource regrets very much being unable to publish a paper last week, owing to the editors illness. We hope that in the future subscribers and advertisers will receive their issue on time.

WINDERMERE A REAL CAMP

Striking while the iron is hot is a characteristic of the West that has gained the admiration of the rest of Canada. And so there is little surprise in the announcement that the Board of Trade at Invermere, B.C., has leased the bungalow camp at beautiful Lake Windermere for this summer, in anticipation of increased tourist traffic to the Canadian Rockies, which has been generally forecast in Europe, the Orient, and the United States.

The camp, which is being taken over by small but energetic Invermere, is one of the most delightfully situated in the Canadian Rockies. Built originally by the Canadian Pacific Railway, this camp has been successfully operated for the past

several years as a private camp for girls. In the centre of an ideal vacation district, it is easily reached by main mountain highways. The famous Banff-Windermere road leads to it, a good alternative route being through the mountains from Cranbrook. The lake averages about 45 degrees in the summer and is ideal for swimming and boating. Excellent trout fishing can be had in several creeks and smaller lakes near by and the lake itself has landlocked salmon of considerable size. Within a day's ride is the celebrated Lake of the Hanging Glacier, with its spectacular glaciers all concentrating in one morning with an ice wall several hundred feet high which drops a continual succession of small icebergs into the lake.

The camp is a particularly good centre for a whole summer's rest and exploration, because many are the side trips that can be made by car, mountain-bred ponies, or on foot to adjacent spots of beauty or historic interest. Tennis courts and motor launches are available for the use of the guests.

There is accommodation for 42 guests in the camp, which consists of a large main building, with wide verandah, and of separate small bungalows, equipped with single beds, stove, clothes closet, nice furniture, running water, and electric lights. A double bath-house, with hot and cold running water, contains separate bath rooms.

Milo Notes

The following are last weeks notes.

The Social Credit Picnic held at Lake McGregor Park on July 17 under the auspices of Milo, Queenstown and Majorville Social Credit Groups was a huge success both socially and financially. Outstanding features were foot races, jumping competitions and horse shoe competitions. A baseball tournament was held which included Cluny, Champion Queenstown and Vulcan. Prize winning money of \$25 went to Champion and second money to Cluny. The crowning feature was an address by Mr. Blackmore of Raymond. Due to the inclement weather the picnic broke up prematurely and it is understood that Mr. Blackmore will present his address to the various groups throughout the Bow Valley constituency in the near future.

A Liberal meeting was held in the Oddfellows' Hall at Milo on July 20th. Addresses were given by L. Stack K.C. of Vulcan, and W. Churchill B.A. of Calgary. Their report consisted chiefly of monetary reform.

We are glad to report that Mrs. Garrett shows much improvement and we trust that in the near future will be out of the hands of the Chiropractor.

G. Williams, assistant manager of the Bank of Nova Scotia, Milo, left Saturday for Banff where he will join Mrs. Williams for a brief vacation.

Shouldice Notes

Mr. Holboff had the misfortune of having four cows electrocuted from the power line wires in last weeks storm.

Lightning struck on Mr. Leadbetter's farm last week killing a number of pigs.

Master Howard Griffith of Calgary is at the Taylor farm spending his holidays.

We are sorry to hear that Mr. Schmidt, of the A. P. Elevator is being moved to Spirit River, Alta.

Mrs. Webber gave a china and kitchen shower in honor of Mr. and Mrs. Geo. Rottle, Tuesday, July 23, at the Hall. The large crowd assembled for the occasion chorused the words of "For they are Jolly Good Fellows" when the many useful gifts were presented to the newly married couple by Mr. W. Osler and D. Yuill. An evening of merriment was enjoyed by those present. Mr. and Mrs. Rottle will reside in Arrowwood where George is a agent for the Pioneer Elevator.

Many ladies of the community were present at the home of Mrs. D. Yuill, Tuesday July 30 when a miscellaneous shower was held in honor of Mrs. S. Spokes. A guessing contest was the feature of the day's program. A prettily decorated wagon pulled by Miss Ida May Yuill conveyed the many useful presents to the bride. Lunch was served by the hostess assisted by Mrs. D. House and Mrs. Webber.

When the Slip Gets By

The typographical error is a slippery thing and sly. You can hunt till you are dizzy, but it somehow will get by. Till the forms are off the presses it is strange how still it keeps.

It strikes down in a corner and it never stirs or peeps. That typographical error, too small for human eyes, Till the ink is on the paper, when it grows to mountain size.

The horse stares with horror, then he grabs his hair and groans; The copy reader drops his head upon his hands and moans— The remainder of the issue may be as clean as clean can be, But that typographical error is the only thing you see.

ALBERTA SAVINGS CERTIFICATES

A Sound Form of Investment

By Issuance of Savings Certificates, the Province of Alberta has for many years afforded opportunity to the public for investment of their saving at attractive interest rates, at the same time assisting the Province in maintaining public services vital to the welfare of the people.

In addition to the usual "Demand" Certificates, available in denominations of \$5 and upwards, the Government in 1932 inaugurated Term Certificates, bearing a fixed rate of interest for stated periods of one, two or three years. Purchasers of these certificates are afforded the same security as on Provincial Bonds. The term certificates are available in various denominations from \$25 up and are not subject to the varying market prices for debentures.

4 1/2 % Per Annum Paid on Two and Three Year Term Certificates.
3 1/2 % Paid on One-Year Term Certificates.

of living the kind of lives they lived.

We learned how the Bible came to us and how many years it took to obtain it as we have it today. How much more we should appreciate this Book and study it! One Bible has been the product of years of writing by a monk in some lonely cell. There was a time when the Bible was chained and only rich men owned one. Now anyone can read it. At one time owning a Bible would mean death, if the owner were discovered. Now we can use it freely. Usually, that which comes easily to us is not valued as highly as what is earned through hard labor. We may obtain copies of the Bible for almost nothing. Are we allowing this to lessen its value or are making use of the great privileges which are ours to enjoy?

The divisions of the Bible and the classifying of the books as certain types of writings were discussed.

Various methods were suggested as to how we are to approach the Bible. Prayer is necessary for a successful study of its contents. We should have an honest purpose in reading; not as a critic but to see the wonderful things of the Love of God.

We should hunger and thirst after righteousness and have a desire to learn and a willingness to accept the truths found therein. If we have a feeling of humility and emptiness in our lives this may be accomplished.

Various ways as to how and when to study the Bible were suggested.

The second period conducted by Miss Keeler and assisted by Miss Buttle had as its theme "Worship"

We concluded that it is anything which brings us into closer fellowship with God. One form of worship is meditation. One may worship in silence. We may worship and feel gratitude when inspired by a sermon, a concert or a picture of art. Worship entails praise,

prayer and thankfulness to God.

Group worship with common aims and purposes is dependent on others, especially since we are all children of one God.

The question "Is work worship?" was discussed. We may worship while working or work may become just a routine. But work when not done in the right attitude is the same as prayer done in the wrong attitude. Let us will to worship as well as will to work.

Can we worship beauty and not God? We may regard beauty with awe and admiration, but this would not mean we are in the act of worshipping. First let us appreciate nature and then worship God when we know Him.

Buffalo Hill News

Miss Shirley McInenly was up from Brooks and spent the week end at her home.

There was a pleasant change in the weather last week with a good rain and some hail, although those who were hailed admitted the benefits from the rain more than offset the resulting damage.

Queenstown Items

Mr. J. McLaughlin is a visitor to Calgary for a few days.

Miss Beth McLaughlin is home again after being away for some time. Her many friends are pleased to see her again.

The swimming pool is in great demand these hot days.

Mr. and Mrs. D. Dunsmore were visitors to Mr. and Mrs. Rubbelke on Sunday July 28.

Mrs. Lund and Mrs. Lawther served an ice-cream social in the old Post Office last Friday afternoon to raise talent money for the church. An enjoyable time was had by the many present and a neat sum of money was realized.

Have You Met?

W. R. FEARCE.

Owner of the Empire of Britain.
Mr. Fearce is one of the best-known purveyors in trans-Atlantic service, and during his long service with the Canadian Pacific has made friends with thousands of regular travellers. He was many years in the Empress of Scotland, and has been round the world so often that places like Bombay and Hong-Kong are as familiar to him as the rose-gilded garden of his Southampton home.

Hotel Saskatchewan, Regina, distinguished itself recently by staging a Chinese Mandarin dinner dance, said to be the first of its kind on this continent. As stage decoration there was used a hundred-foot runner and side drapes, hand-made by Chinese many decades ago, and valued while in use at a valuation of \$5,000. The orchestra was in Chinese dress and provided music with a decidedly Eastern background.

T. J. Jackson, who has just been appointed first assistant manager of the Royal York Hotel, Toronto, in succession to Cyril Chapman, promoted to the post of manager of the Seignior Club of Quebec, started as cashier at the Chateau Frontenac in 1924, and has had rapid advancement to his present high position.

To Charles Montgomery, one-time switch-tender and at present, elevator operator at the Canadian Pacific up-town office building in Winnipeg, go all honors for having constructed what is probably the most perfectly finished model of a locomotive on the continent. It is a five-foot replica of a Canadian Pacific 4-6-2, finished in brass, and copper, and took five years to construct.
